Certificate of Conformity relating to the required protection concerning the Electromagnetic Compatibility according to Article 10.2 of 89/336/CEE Directive regarding Member States laws relating to Electromagnetic Compatibility.

Certificate applicant : **OPENERS & CLOSERS**

Manufacturer: **OPENERS & CLOSERS**

Device/s object of the Certificate: **Electromagnetic sucker pad serial ME**

- Considerations kept in mind:
- 1.- The product is not directly connectable to the public low-voltage distribution system, but rather it works in a 12 or 24 Vdc characteristic installation.
 - 2.- The product does not contain active electronic circuitry.
